Downtown Toledo – Old Pythian Castle
There was a recent article in The Blade (Toledo's local newspaper) that reported that the beautiful Pythian Castle in downtown Toledo is going to be renovated. The City of Toledo granted a building permit for construction of a new first floor, fifth floor, and roof on the long-vacant building. The building was acquired by Mr. Dave Ball in 2016 for the sum of \$300 and the bank gave him over \$247,000 to renovate the building. Mr. Ball plans for the building to be used for residential and/or commercial purposes in the future. You can view the complete story at:
