You may request your playing partner, if you do not have a partner, you can be paired with another golfer. Use the form provided or another sheet of paper for your entries. Include the names, home addresses, and telephone number for every one listed. If they qualify for the senior division (60 and over) and wish to play in that division check the appropriate slot. If the player is a guest, check that slot. Please include email addresses. This information is important to maintain an accurate mailing list and so that I can contact you if necessary.

There will three separate divisions: regular, senior, and guest. Seniors will use different tees, but you must tell me which division you wish to play in before play starts on Saturday or I will assume you are playing in the regular division.

Guests are encouraged to play. Hopefully they will want to join our Pythian Order. Guests will be grouped together for prizes and will not count toward the team trophy.

Mail your entry along with your check made out to the Ohio State K of P Golf Tournament to:
